

WOODTON

When you're visiting Old Hall Farm enjoy your visit and please remember

1 We are a working farm

so do not stray into the working areas, our gates and fences are in place to **keep you safe**.

2 Drive slowly

down the entrance / exit drive, and park in our car park only.

3 Wash your hands

if you visit our animals to say hello – we have lots of wash hand basins for you to use and suggest you sing 'Old MacDonald had a farm' whilst washing your hands. Our animals have a different set of bugs to humans, so good handwashing is essential. **Do not eat and drink until you have washed your hands and wash your hands before going home rather than just using sanitiser.**

4 Be aware

Keep your **children** and **excitable adults** close to you especially near the animals and our pond.

5 Your pooch

If you bring your pooch it **must be on a lead**. **Please note: We do not allow dogs on the farm walk**, so leave your pooch at home or in the car with the windows open if you plan on this walk.

6 The farm walk

please **keep to the route** on the farm walk.

7 A splash of mud?

we are a **working farm** and as such you might get **muddy**. You may like to **bring a spare pair** of wellies or shoes. However we do have a **hose pipe** that you can use for boots / buggies / wheelchair wheels.

8 Our animals

our animals have a very **special diet** and are **not pets** so **please do not feed or pet them**.

9 Food from home?

please be aware that we **do not have a play or picnic area**.

10 Be careful

remember that electrical fences can be **quite shocking**.

11 Smoking?

we are a **strictly no smoking site**.
